16th District Special Vote To Be Called

Election Writ To Be Followed By Nominations

The resignation of Senator Jack Jones of the 16th Senatorial District of Missouri has created a vacancy in the State Senate that will remain unfilled until a special election to fill the vacancy is held.

Jones resigned this week to be sworn in in Kansas City as referee in bankruptcy for the Western District of Missouri.

Under Missouri law the third four-year term of Senator Jones expires at the end of next year. Accordingly, his successor for the unexpired term will serve from the time he is elected in the special election in the 16th District until his successor takes office Jan. 1, 1967, following the regular election in November of 1966.

The legal procedure for filling the vacancy is for the State Senatorial District Committee of each of the Democrat and Republican parties to meet and select the party candidate. The County Chairmen and County Vice Chairmen of each party in each of the eight counties in the district make up the district committee for that party.

At the district committee meeting nominations for party candidates are made and voting is carried out until the committee finally selects the party candidate. These names will appear on the ballot for the special election. According to Henry Salveter, Sedalia attorney and Chairman of the Pettis County Democratic Committee, write-in votes for other candidates are also legal.

The eight counties making up the present 16th Senatorial District are Caldwell, Carroll, Daviess, Lafayette, Livingston, Pettis, Ray and Saline.

Under Missouri law the governor must call a special election when a vacancy occurs in the senate, however, the law does not specify how soon the election must be held after the vacancy occurs. With Governor Hearnes' recent indication that he wishes to hold a special legislative session on reapportionment as soon as possible, there is some indication he would probably desire a full senate during the session, thus the special election to fill the 16th dis-

Orders Trial Of LaMonte City Judge

Knifing Incident To Go to Jury In Circuit Court

LaMonte's 74-year-old municipal judge, Ira L. Maxwell, was bound over for Circuit Court Court trial today on a charge of felonious assault.

The charge against Maxwell stems from an incident at the judge's residence, 605 South Main in LaMonte, Saturday night when David A. Guier, 17, Route 1, LaMonte, was cut on the left side of the face and right arm by a pocket knife wielded by the judge.

Maxwell appeared in Magistrate Court this morning for a preliminary hearing before Judge Frank Armstrong, who listened to better than one hour of testimony and then ruled that the case was "strictly a jury matter." Maxwell's case will become a part of the Circuit Court September docket, which convenes on Sept. 7.

Testimony at the preliminary hearing was given by the Guier youth, Sheriff Emmett Fairfax, who arrested the LaMonte

Tough Steel Talks Stage

Wages, Pensions Hassle; No Progress Indicated

WASHINGTON (AP)—Negotiators trying to avert a nationwide steel strike were described today as having "reached the stage of hard and tough bargaining."

This characterization of the marathon sessions came from Bill D. Moyers, White House press secretary.

"They are having straight forward confrontations on two main isues — that is, wages and pensions," Moyers told newsmen.

The management and labor representatives were meeting in the Executive Office Building next to the White House.

"I have no indication of what progress is being made," Moyers said.

As talks entered their third day in Washington, negotiators reportedly were arguing that White House wage guidelines are too low.

President Johnson, continuing to urge a noninflationary settlement, was joined by House and Senate Democratic leaders in warning that a strike would hurt the nation's economy and security.

A strike deadline scheduled at 12:01 a.m. today was postponed until 12:01 a.m. Sept. 9 at Johnson's request.

A strike would idle 450,000 Steelworkers and shut down about 80 per cent of the nation's steel industry.

Secretary of Labor W. Willard Wirtz and Secretary of Commerce John T. Connor continued efforts to compromise the AFL-CIO United Steelworkers' demand for a wage and fringe benefits increase of 53 cents an hour over three years and the industry's last offer of 40.6 cents.

Unverified reports that the 10 major steel companies had offered to raise the ante for a settlement were denied by a high administration source.

However, another reliable source said the industry had been ready to boost its offer slightly at the time the talks were moved here from Pittsburgh Monday. The union reportedly also was prepared to make concessions, dropping its demand to 48.9 cents.

The union reportedly was citing new Commerce Department figures in arguing that White House wage guidelines of 3.2 per cent should be boosted to at least 3.4 per cent.

A White House source indicated the union would get nowhere with the argument.

"It's not at all that simple," the source said in conceding that new government figures showed a higher gross national product in recent years than previously reported.

Johnson has strongly hinted he will stick to his insistence that the industry grant a settlement in the 3.2 per cent range without a steel price hike.

Civil Rights Violence In N. Carolina

Two Men Injured In Free-for-All, Shooting Spree

By THE ASSOCIATED PRESS

A tense situation exploded into violence in Plymouth, N.C., as pistol shots touched off a brief free-for-all fight between whites and Negroes. Two white men were injured and two Negroes were arrested.

The violence came Tuesday night after civil rights leaders postponed a scheduled demonstration because tensions were running high.

The shooting occurred after seven Negroes encountered a white group on Main Street. TV Negroes were headed toward the center of town when the whites moved in behind them.

Police said one of the Negroes pulled a pistol from under his pants leg and began firing at the white men.

The group of Negroes turned and fled down the street into a group of whites that had gathered in the middle of town. Several white men grabbed the Negro with the pistol and began beating him.

State troopers and police quickly moved in and seized the Negro, who later managed to escape. Police arrested two other Negroes.

George Williams, 45, of Greenville, N.C., was shot in the stomach and Clarence McCoy Adams, 27, of Pink Hill, N.C., was hospitalized with a knife wound. Both were reported in good condition.

Mansfield Maps Peace Talks Route

Divergent Aims Of Both Sides Defined to Senate

WASHINGTON (AP) — Both sides in the Viet Nam conflict know what they are fighting for, Sen. Mike Mansfield of Montana said today, and produced his own table of those divergent aims.

The Senate Democratic leader told the Senate that he aimed at clarification of the issues with the idea that definitions might serve as route markers toward the peace conference table.

Mansfield cautioned against the assumption that "we are engaged in Viet Nam against a group or a government which has no objective except warfare for the sake of warfare."

The Communists, he said, "have a very clear idea of why they fight and of the conditions on which they will cease fighting."

Mansfield, who has been critical at times of President Johnson's Viet Nam policies, said an examination of statements by Johnson and his principal spokesmen indicate the United States has set these conditions for peace:

1. "There must be a verified choice by the people of South Viet Nam of their own government — a choice free of terrorism, violence and coercion from any quarter."

2. "There can be a future for South Viet Nam either in independence or as a part of a unified Viet Nam in general accord with the Geneva agreements."

Ralston-Purina Plant Slated At Stover

STOVER, Mo. (AP)—Mayor Warren Cooper announced today the Ralston-Purina Co. plans to establish a turkey hatcher in this Morgan County town. It will have a capacity of 70,000 eggs a week.

Cooper said the one-story 10,000 square foot building to house the operation will be completed about Dec. 1. The facility is expected to provide employment for 20 to 25 persons with an annual payroll of about $55,000.

Similar hatcheries have been established by the company at Cole Camp, Bolivar and Warrensburg.

Bribe Denial An Error; Apology Sent

WASHINGTON (AP) — The State Department today acknowledged that Secretary of State Dean Rusk had written a letter of apology to Singapore's prime minister Lee Kuan Yew for the "improper activities" of certain U.S. officials in Singapore.

Lee has said a $3 million bribe had been offered to him by the U.S. government to keep quiet about the arrest of an American Central Intelligence Agency official from Bangkok who sought to buy secret information in Singapore.

In confirming the Rusk letter, State Department press officer Robert J. McCloskey said that a formal denial made Tuesday by the State Department was in error.

McCloskey said that "those who were consulted within the government on this matter Tuesday were not fully aware of the background of an incident that occurred 4½ years ago."

"The secretary did write a letter expressing this government's regret over the incident," McCloskey said.

New Social Security Kits In the Mail

Data to Aged Includes Card For Application

WASHINGTON (AP) — Beginning today, 2.5 million retired Americans are getting word from the government on two new medical programs available to them under the expanded Social Security System.

The information includes an application card for the voluntary program — the medical plan which provides protection against most doctor bills.

The first of the kits were sent out Tuesday night.

No action is required for the hospitalization and nursing care program. Inclusion is automatic for anyone on the Social Security rolls.

Mailing will continue at the rate of 2.5 million a week until the government reaches the 15.5 million Americans now under Social Security or railroad retirement.

Today also is the first day those 65 or older who are not on the benefit rolls may qualify for the hospital plan and enroll in the medical program at their local Social Security office.

The two programs become effective July 1, 1966.

Another mass mailing to carry out provisions of the new Social Security amendments will begin Sept. 15 and take about a week. This will include checks totaling $885 million to cover the 7 per cent increase in Social Security cash benefits retroactive to Jan. 1, 1965.

The application card for the voluntary medical plan should be returned to the Social Security Administration in the postage-free envelope included in the kit.

This option must be exercised by March 31, 1966, to qualify.

Joseph P. Kennedy Suffering From Rash

BOSTON (AP)—Former Ambassador Joseph P. Kennedy 76, is suffering from a skin rash, a spokesman for New England Baptist Hospital said today.

The father of the late president entered the hospital Tuesday for a routine checkup. He was reported resting comfortably today.

The spokesman said the skin ailment was not serious.

Klan Activity In Missouri Gains Ground

ST. LOUIS (AP)—The Missouri chairman of the National States Rights party said today the Ku Klux Klan is organizing in the St. Louis area and holding secret meetings under another name.

"You can bet there are at least 2,000 members of the Ku Klux Klan in St. Louis and its immediate vicinity," said Allen O. Kern of St. Louis.

"They are holding regular meetings, but they are not meeting as three-Ks," he said. "They have their reasons for not coming out in the open at this time."

The St. Louis Post-Dispatch said today it had learned from an intelligence source that the Klan does have a very small membership in the St. Louis area but nowhere near 2,000.

Kern said he learned the Klan was in the St. Louis area when he received a telephone call from a local Klan leader.

"I went and met with them, and we talked about a lot of things pertaining to their organization and ours," Ken said.

"What is taking place here is taking place in a lot of cities," he said. "The people who used to belong to the Klan are rebuilding it."

Highway Crosswalks Get Coat of Paint

Sedalia's six major highway school crosswalks are being clearly marked as school crossings by the State Highway Department for the first time this year.

Highway workmen were seen Monday erecting the school crossing signs along Broadway. The signs are being placed at the intersections facing both lanes of travel.

Civilian crossing guards man these highway crossings during morning and evening school traffic periods. The crossings are at Fifth and Limit, Broadway and State Fair, Broadway and Warren, Broadway and Grand, Broadway and Engineer and Broadway and Arlington.

Big Send-Off For Postal Chief O'Brien

WAEHINGTON (AP) — Lawrence F. O'Brien got a big send-off from senators today for his new job as postmaster general.

The Senate Post Office and Civil Service Committee approved his nomination unanimously after members told him he would need all his political organizing talents in running the postal service—the nation's biggest business.

O'Brien, director of White House liaison with Congress under President Johnson and the late President John F. Kennedy, is to succeed John A. Grounouski as postmaster general.

Sen. Edward M. Kennedy, D-Mass., told the committee it was a special privilege for him to recommend O'Brien, a native of Springfield, Mass., "because of his intimate association with President Kennedy for 11 years."

Impeached Marshal Wins Voters' Support

CARDWELL, Mo. (AP)—City Marshal Sandy Sisk, who was impeached by the City Council last June, was elected Tuesday to fill his own unexpired term.

Sisk defeated Arlender Bishop 190 to 140.

In another race James Bishop was elected to fill the unexpired term of former Mayor Fred Leverle, who resigned after his grocery store was boycotted when he sided with the City Council in demanding Sisk's impeachment for allegedly failing to carry out his duties.

Pros and Cons of Such Action Reviewed

War Decree Ruled Out In Viet Nam

EDITOR'S NOTE — The United States has sent a major military force to South Viet Nam, and has Army, Navy, Marine and Air Force units participating actively in the fighting. U.S. servicemen are being killed and wounded, but there has been no declaration of war. Why? Some of the pros and cons of such action, and some results of a formal dec'aration, are discussed in this analysis.

By LEWIS GULICK

WASHINGTON (AP) — A formal declaration of war by the United States in the current Viet Nam conflict would raise so many difficulties that it apparently has been ruled out by U.S. policymakers.

This does not reflect any Washington disbelief in the reality of the bullets puncturing the peace of Southeast Asia. President Johnson has used the word "war" and has pledged an unlimited American commitment to prevent the Reds from taking over South Viet Nam.

However a formal war declaration — a power given to Congress under the Constitution — would pose major complications for U. S. strategy, which is tailored to a limited objective and to keeping the contest confined.

Avowedly, the U. S. aim is to help the Saigon government repel an aggression from the north. It is not to overthrow the Hanoi regime ruling North Viet Nam, or to get into war with Red China or the Soviet Union. Furthermore, the Communist attacks in South Viet Nam vary from organized military assaults to isolated terrorist crimes.

If Congress were to declare war, a first question naturally would be: Against whom would war be declared?

The Viet Cong? The United States does not recognize the claims of these Communist guerrillas to being a government, and much of what they do — like murder and arson — can be classed as acts subject to criminal prosecution.

The government of North Viet Nam? The United States says it does not want to destroy this government, which would be a natural objective if war were declared against it.

Red China or the Soviet Union? Washington wants to press its effort in Viet Nam without getting into a fight with the big Communist powers, which a declaration of war against them would involve.

In the big strategic picture a formal U.S. declaration of war would, in the opinion of administration authorities, tend to broaden the conflict when it is in the best U.S. interest to prosecute it in a narrower arena.

If war were declared against North Viet Nam, for instance, neighboring Communist China might decide to get into the fight. So far it has steered clear of direct involvement while U. S. bombers pinpoint targets south of its border.

For the United States an official declaration of war would set off a round of diplomatic consultations with its allies around the world, even though mutual aid pacts might not be invoked.

At home officials believe a declaration of war would have a tremendous psychological impact gearing the nation for an all-out effort — for a Southeast Asian program which today accounts for only a small fraction of the federal budget.

Government lawyers figure that literally hundreds of laws are on the books which would be affected by a declaration of war, including clauses involving such items as shipping and other economic activities, and that further legislation would be passed in a war situation.

As matters now stand the President has the power as commander in chief to send troops to Viet Nam, and Congress has passed additional legislation as needed, they say.

And they ne that the United islation as needed, they say.

And they note that the United States fought a much larger action in the Korean war without a formal war declaration, for many of the same reasons now applied in the Viet Nam contest.

The State Department says:

"The fact that military hostilities have been taking place in Southeast Asia does not bring about the existence of a state of war, which is a legal characterization of a situation rather than a factual description.

"What we have in Viet Nam is armed aggression from the north against the Republic of Viet Nam.

"Pursuant to South Viet Nam's request and consultations between our two governments, South Viet Nam and the United States are engaged in collective defense against that armed aggression. The inherent right of collective self defense is recognized in Article 51 of the U.N. Charter."

Rawhide's Fleming In New Comedy

By BOB THOMAS

HOLLYWOOD (AP) — Viewers of the long-run Western "Rawhide" will be wondering why co-star Eric Fleming went thataway. Like most matters in television, it was a question of money. The ruggedly handsome actor can be found these days at MGM, without the sideburns and shaggy hair he sported in "Rawhide." He is well clipped and tailored for his role in the new Doris Day comedy, "Glass Bottom Boat."

"You can't imagine how pleasant it is to work with a washed face and have a rug under your feet," he said. "And with girls. There is something deadly about working for seven years with a male cast."

Don't get the idea that Fleming is complaining. He seems to be one of the best-adjusted actors around. He didn't even mind being dropped from "Rawhide," although it meant the loss of a tidy fortune.

Fleming admitted that he entered the series haphazardly. After years of median success on Broadway, he decided to chuck the works and head for the Pacific Isles he had known during the war. But Hollywood kept delaying his departure with acting jobs. One was in the pilot of a Western series.

"I figured nothing would come of it," he recalled. "The first script was aimed at the guest stars, and I was only one of eight regulars. I was astounded to see the final version and find Clint Eastwood and I were the stars.

"Still, I never thought it would sell. CBS couldn't give the show away, finally put it on the air in mid-season with half-sponsorship. Within a month sponsors were in line to sign up."

Six and a half years later, it looked as if "Rawhide" had come to the end of its dusty trail. CBS announced the series was being dropped, then a change of management reversed the decision.

"At first I decided a wouldn't continue with the show for a million dollars," said Fleming. "But then they came up with a deal that virtually amounted to a million dollars! I had to reconsider."

Fleming told the network he would be willing to continue, but then the bosses apparently had second thoughts. It was decided to continue "Rawhide" with Clint as solo star.

Soviet Submarine Operations Increase

WASHINGTON (AP) — Soviet submarine operations have increased in the past year, Navy sources said today.

"We've been spotting them more often," one official said. "Where one or two used to show up, we're sighting three and four.

"They seem to be operating in greater numbers and more openly."

Navy officers said the wider-ranging Soviet submarine operations reflect the larger number of long-endurance craft, including atomic-powered vessels, now in the Soviet sub flotillas.

Third Annual Stahl Reunion Held In Syracuse

The third annual Stahl reunion was held Aug. 15 at Syracuse Schoolhouse. Descendants of the late William Henry and Mary Magdelene Stahl attended. There were the second, through the fifth generations. There are two living children of the couple, Mrs. Ruth Roesler, Muckoge, Okla., and Lee Stahl, Eagle Lake, Tex., both of whom were unable to attend.

Bills Caught Up In Power Play

WASHINGTON (AP) — President Johnson's immigration bill and Senate Republican Leader Everett M. Dirksen's reapportionment amendment were caught up today in a legislative power play.

Sen. Hugh Scott, R-Pa., said that "some liberal Democrats would rather have a tactical victory over Dirksen" than to win passage of the immigration measure at this session of Congress.

But Sen. Jacob K. Javits, R-N.Y., another member of the Senate Judiciary Committee where the opposing forces met headon Tuesday, said in a separate interview he does not expect the immigration bill to be killed.

Tells Thrill Of Big New Sports Cult

NEW YORK (AP) — Like man, you hodaddies don't know how real stoked a surfer can feel about riding those keeno-jet big waves.

But stick around and maybe you'll run into Phil Sauers.

He's the young, bronzed president of the International Surfing Association who is spending the better part of a year traveling around the country in a specially outfitted truck to tell all you hodads or hodaddies—squares who don't get any kicks out of life—about the thrills of the big new sport cult, surfing.

The surf-worshipers who are really stoked—dedicated—are sort of waterlogged first cousins to the black leather-jacketed roving motorcycle club members, with their own traditions, jargon and mores. They surf all day in the sunlight, all night in the glare of headlights of cars driven onto the beach and all winter in rubber exposure suits.

Enthusiastic but not really stoked are masses of teen-agers who may or may not be organized into the thousand miscellaneous little surfing clubs around the country, and who spend an hour or two a day at the sport in good weather.

At 28, Sauers has a well-tanned finger in every enterprise involving surfing. In the surfing movies that are packing in the teen-agers these days he acts as consultant and occasional double (that's Sauers not a teen idol you frequently see sliding diaguonally through the curl of the wave in the distance.) He also owns most of the 35mm surfing films used on television and in motion pictures.

A surfer since he was 10, Sauers is chiefly interested in—besides making money — promoting surfing as a sport.

Right now Southern California is the chief playground, but surfers on the Texas Gulf Coast and Eastern seaboard will more than triple in number in two years, Sauers predicts.

Inland, any body of water that can take a boat is fair game for a variation that's spurting into great popularity—boat wake surfing.

"It's much easier," says Sauers, "because you aren't riding the waves in the ocean, and you can go as long as the boat goes."

Republican Elected In Mississippi

BATESVILLE, Miss. (AP) — William E. Corr, a 29-year-old Sardis attorney, says his victory as the first Republican elected to the Mississippi Senate since Reconstruction, is based on qualifications and not party affiliation.

Corr won the Panola County seat in the 52-member Senate Tuesday by defeating Billie Lowe in a special election runoff. The election was called to fill the unexpired term of the late Sen. J. Roland Lowe of Batesville, Mrs. Lowe's husband.

"The party issue was a minor part of the campaign," Corr said. He polled 1,765 votes to 853 for Mrs. Lowe.

Corr describes himself as a conservative. He said he was an active supporter of GOP nominee Barry Goldwater in the 1964 presidential campaign.

Man Out On Bond Stabbed In Tavern

ELDON, Mo. — (AP) — A man out on bond awaiting an appeal from a second degree murder charge was stabbed at a tavern here Tuesday.

Witt was treated for a superficial stab wound. Wilson was jailed here.

The body of Wilson's son, Woodrow, was found Aug. 25, 1964, in an uninstalled septic tank in Eldon.

Ann Landers

Answers Your Problems

Dear Ann Landers: I am a teen-ager who spent a good part of the last year in the hosptal. I am not writing for sympathy. I am writing to let other teen-agers know how lucky they are just to be able to stand on their own two feet and walk from one room to another.

Believe me, Ann, I never appreciated being able to go where I wanted to and do what I wanted to until I was flat on my back for seven months.

It would be crazy to say I am glad I got sick, but in a way it was the best thing that ever happened to me. It gave me new respect for ordnary thngs that I used to take for granted. I guess I was just like the man who didn't know how important water was until the well ran dry.

Good health is a great blessing. Without it life doesn't mean a thing. With it, you can accomplish almost anything — SUNNY SKIES.

Dear Sunny: Your letter is one which adults, as well as teen-agers, should clip out and keep handy as a daily reminder. And I hope you will keep it, too, when you are fully recovered, because it's easy to forget how precious good health is when you have it.

Dear Ann Landers: Recently a letter appeared in your column which made me see red. A wife, referring to her husband's third cousin, wrote, "If she has any of her looks left after all these years, and if she behaves like MOST divorcees, it could mean trouble."

I am a divorcee who deeply resents this generalization. We divorced women have enough trouble making a living, raising well-adjusted children, maintaining our sanity, and combating loneliness, without taking insults like that from the peanut gallery.

I know many divorcees who are far more respectable than some married women. Often the divorcee is the victim of a too early marriage or inadequate parental guidance. Some of us lost our husbands to The Other Woman. Others preferred life alone to putting up with a lying, cheating rat.

"Trouble" is created by individuals, married, single, divorced and widowed. Please make this clear in your column.—A DIVORCEE.

Dear Divorcee: For ten years I've been making it plenty clear. And I'm grateful for letters like yours because they have helped.

Dear Ann Landers: If you come up with a solution to this problem I will be very appreciative and so will my husband.

His sister is a swell person. Estelle and I are the same age and we get along fine. She and her husband live down the street from us, which may be part of the problem. About twice a week they show up at our front door with their company. Sometimes we know the people and sometimes we don't. Usually it's a Friday or Saturday night or Sunday afternoon. They never call to ask if we have plans. They just come over.

The following morning Estelle usually calls and says, "You sure saved our lives. Those Smiths are such bores. Bernie and I would have died if we couldn't have brought them to your place."

My husband and I would like to put a stop to this practice. Is there a way out?—MR. AND MRS. PIGEON.

Dear Mr. and Mrs.: The way out is right through the front door—like this: The next time Estelle and Bernie appear with guests, say, "Sorry we were just leaving." Then get your coats and leave—even if it's only to the corner to pick up another newspaper.

If you do this twice, you won't have to do it a third time.

BOYS CLUB NOTES

The Sedalia Boys Club will start the fall and winter activities at Convention Hall Wednesday evening Sept. 8. The club will be on a Monday and Wednesday evening schedule for about a month then it will be on a three evening schedule as it was last year.

Boxing which got under way last year in a big way will be resumed with Coach Bill Spooner in charge. He will be assisted by Larry Kavadas who joined the staff late in the season last year.

Teams that have inquired about matches with the Sedalia Club are Independence Boys Club, Algoa Intermediate Reformatory of Jefferson City, Columbia Athletic Club, and Springfield Boys Club. It is hoped that a club of about 20 or more boys can be formed.

The Iron Men Club will start training for the Ozark AAU meet to be held in Clinton. Gordon Strain will coach the team and has several outstanding boys ready for competition.

This year, small four inch plaques with Boys club insignia will be given boys who are outstanding in Boys Club work. A sample plaque is on display at the club. Some of the events to get awards are: physical fitness, boxing, wrestling, weight lifting, basketball, pool and art.

The club has been given another bumper pool table by Mr. and Mrs. Kenneth Green who have left the city. Pool championship tournament and table tennis tournament will be held to determine champions for 1965-66.

A number of new activities are being planned for the fall and winter program and several new boys have been added to the regular staff of boys club workers.

Communists Prepared For 20-Year War

SAIGON, South Viet Nam (AP) — North Viet Nam's Premier Pham Van Dong has derided U.S. peace offers and warned anew that the Communists are prepared to fight a 20-year war in Viet Nam.

"Peace in the U.S. style actually means war of aggression," he said, in a speech quoted by Hanoi Radio.

The premier said his regime understands "the justifiable concern" of many people at the continuation of the war but he gave no sign that Hanoi is ready to negotiate with the West.

The broadcast said Pham spoke Tuesday at a meeting marking the 20th anniversary of the founding of North Viet Nam.

Boost Nasser Image During Moscow Visit

MOSCOW (AP) — President Gamal Abdel Nasser of the United Arab Republic left Moscow today after apparently boosting his image in the nonaligned world as a potential peacemaker in Viet Nam.

Nasser also won Soviet pledges for more aid to Egypt.

He ended five days of talks with top Soviet leaders and flew to Belgrade to meet with President Tito of Yugoslavia.

Details of Nasser's Viet Nam peace plan, which he discussed with Kremlin leaders, remained under wraps. But they may be outlined in a forthcoming communique.

Optimists Hear Dist. Governor

"What is our responsibility?" Clinton Black, lieutenant governor, Zone H, Missouri District, Optimist International, asked members of the Optimist Club Tuesday noon as he spoke to them during his official visit.

Black then told of standing on a corner downtown one day recently talking to a fellow Optimist when a police car drove up and stopped. Two officers went in a store and came out with a boy about 12 who was arrested for shoplifting. The article he had taken was very small, but the incident, Black pointed out, wasn't.

Each member, he went on to say, when he joins the Optimist Club accepts the responsibility of "Friend of the Boy" and this requires complete cooperation of every member of the club. Some members can spend more time assisting in projects for youth, he said, yet cannot attend meetings regularly. However a member of the organization finds the way he can help do his job best as an Optimist is up to him, he said, so long as each one does all he can.

"Someone is looking at each of us," he told the group. "Some young person, and the example we set, will have an influence on them."

The Optimist International, Black stated, began in 1919 for the purpose of fellowship and helping boys. The program and policies are set up but does not dictate what the individual clubs should do, and each club should build a program that will fit its own community.

Imagination and ingenuity is what has made Optimist International such a great organization, he said, and competition is one of the things in our democracy that has made it successful. Competition in the Optimist clubs comes with the effort made to become an honor club by meeting the goals set, and Black named the goals required.

The greatest of these, he said, is the Boys Work program under which comes the Boys Oratorical Contest, the "Youth Appreciation Week," and various youth projects are sponsored by the clubs.

The meeting was presided over by Wray Schroeder, president, with invocation by Lee Deason. Joe Forsee led the singing with Mrs. Lillian Maynard at the piano.

judge, Edmund Guier, Sr., the Guier boy's grandfather, and by Maxwell and his wife.

Young Guier testified that Judge Maxwell had talked to his grandfather and complained that the youth had been speeding in LaMonte and was among a group of boys who had attempted to burn a small footbridge across a ditch in front of the judge's residence.

Guier said he drove to the judge's residence and was invited in by Maxwell. The youth testified an argument ensued, the two "argued back and forth" and then he said the judge struck him on the left side of the face.

After being struck, Guier said he shoved the judge back against the wall and a lamp was knocked over in the process. Guier testified he then started out into the yard, Maxwell produced a pistol and attempted to strike him with the butt of the weapon.

"I knocked the gun out of his hand and was holding onto his arms," the youth testified. "His wife was talking to him and kind of calmed him down so I let go of his wrists. The first thing I knew he had a knife out and cut me on the face and arm."

Maxwell and his wife, called as defense witnesses, testified Guier drove up to the Maxwell home in his Volkswagen auto in a noisy manner and said instead of knocking at the door he kicked it.

Both Maxwell and his wife said the youth cursed the judge. Under cross- examination by Prosecuting Attorney J. R. Fritz, Maxwell testified he obtained the pistol, a loaded .38 caliber revolver, from a nearby bedroom after being shoved by the youth.

After dropping the gun in the yard, Maxwell testified the youth was still cursing him and that he drew his knife and cut him "to stop him from cussing."

The Guier youth's grandfather testified that Maxwell had telephoned him the morning the incident occurred and mentioned that he wished to talk to him. Mr. Guier, Route 2, LaMonte, said he went to the judge's home later when in town and Maxwell complained about a "gang of boys" in the town who had been speeding and bothering the judge's footbridge.

"He mentioned my grandson, but included him in with all the boys," the senior Mr. Guier said. "I took it that he kind of meant the whole crowd had been causing trouble."

Maxwell said he is serving his second term as judge in LaMonte, but added, "If we had any law enforcement in LaMonte I'd be the judge. We don't have a city marshal." Maxwell was represented at the preliminary by a Sedalia attorney, Earl T. Crawford.

The judge is free on a $1,000 bond.

William Franklin Winfrey, of Hughesville, and Mary Louise Gehlken, 322 North Engineer.

● Accidents

Miss Diane Hiltenberg, 21, Route 2, Otterville, suffered painful, but not believed serious, injuries about 9:37 p.m. Tuesday when her automobile struck a telephone pole just east of the crossroads at the Brown Service Station on U.S. Highway 50, east of Sedalia. Miss Hiltenberg reported she was endeavoring to miss a black cow which had roamed onto the highway.

She was taken to the Bothwell Hospital where Dr. John C. Brazos rendered medical treatment for a laceration on the right side of her head, bruises and abrasions about her legs and body. She was taken to the hospital in the Ewing ambulance.

According to Miss Hiltenberg, she was headed east on Highway 50 when the cow roamed onto the highway. In an endeavor to miss the animal she pulled to the right shoulder and the car went out of control and struck a large telephone pole, shattering it. The car went on a short distance and came to a stop off the shoulder. She was thrown from the driver's side of the vehicle into a small ditch full of water. She said she "blacked out" for a minute or two after the car struck the pole.

The automobile's front end was extensively damaged.

Park's wrecker towed the 1961 Studebaker Lark back to Sedalia.

Broadway and Massachusetts was the scene of a two-car accident at 3:02 p.m. Tuesday in which both cars were damaged.

A 1961 Ford, driven by Ronald A. Soanka, 18, 507 Sunset Drive, was in collision with a 1963 Buick, driven by William S. Douglas, 22, Warrensburg.

Damage was to the left side of the Soanka car and to the left front fender of the Douglas auto.

Douglas was issued a police summons for careless and imprudent driving.

● Police Court

H. L. Schlotzhauer, Route 1, Smithton, charged with careless and imprudent driving in connection with an accident, pleaded innocent and after a hearing the case was dismissed.

William S. Douglas, Warrensburg, charged with careless and imprudent driving in connection with an accident, pleaded innocent, but after a hearing was found guilty and fined $10.

The case of Cleo Washington, 219 West Cooper, charged with disturbing the peace and destruction of property on complaint of Mary Hill, was continued to Sept. 2.

George E. Marlatt, 322 West Seventh, charged with failure to pay eight overtime parking tickets, forfeited a $13 bond.

● Fires In City

Firemen received a call at 6:58 p.m. Tuesday reporting a fire at 209 West Sixth. However when trucks arrived no fire was found.

● Circuit Court

Trustees of the Gospel Tabernacle Church at 24th and Ohio here filed a motion for a new trial in Circuit Court Monday in their case against the Pentecostal Church of God of America, Inc., the church's parent organization.

The trustees, Harold Knight, Janice Knight and Janice Dixon, had sought to retain title in fee simple to the church property after receiving a deed from the parent organization in order that a loan might be obtained. Judge Frank W. Hayes, however, ruled against the church trustees last week and in his decree ordered reconveyance of the deed to the church organization's Southern Missouri District.

The damage petition of Murrel P. Ford against Marilyn S. Gooding was dismissed in Circuit Court Tuesday by the plaintiff without prejudice.

Copies of the docket for the September term of Circuit Court have been readied by Circuit Clerk Bryan Howe in preparation for the opening day of the court term and docket setting on Tuesday, Sept. 7.

The criminal docket this fall will include at least 39 cases, over a fourth of which are appeal cases from Sedalia's municipal Police Court. Ten such appeals are pending.

Seven of the criminal cases arise from the writing of no good or insufficient funds checks, a steadily increasing problem for law enforcement officers, while six cases stem from burglaries or thefts.

Attracting the most attention on the criminal docket, perhaps, will be the case of the State of Missouri versus Edgar Holland, an inmate in the Missouri State Penitentiary serving a life sentence for murder.

Holland was convicted here Feb. 3, 1945, on a charge of first degree murder in the death of his wife, Molly, 36, whose headless body was found in the Lake of the Ozarks April 17, 1944 — a day after her mother's body, Mrs. Pearl Fairfax, 56, was also found in the lake.

In a motion filed here in April Holland seeks to have the conviction set aside and have a new trial contending he was deprived of his liberty without due process of law at the time of his arrest 20 years ago.

The state Supreme Court has appointed Judge W. O. Jackson, Butler, to hear the motion after the judge of this circuit, Frank W. Hayes, disqualified himself. No date for a hearing on the motion has been set as yet.

● Building Permits

Truman Huff, 1201 South Montgomery, add enclosed rear porch, add to garage, frame.

W. H. Sperber, 1227 Spring, add bath, 6 x 12 foot, frame.

William E. Murray, 1505 West 20th, 26 x 60 foot, five rooms, bath, attached garage, basement, frame.

Verrel M. Martin, 2415 Golf, 28 x 64 foot, six rooms, bath, attached two-car garage, basement, brick veneer.

● Magistrate Court

Lee Garland McCoy, Jr., 29, 429 East St. Louis, was bound over for Circuit Court trial Wednesday morning following a preliminary hearing in Magistrate Court on a charge of felonious assault.

Prosecuting Attorney J. R. Fritz called only one witness for the state, the complainant, Viola Potter, Kansas City.

She testified that McCoy was among a party of several who were together earlier in the evening and then went to the home of an aunt where she was staying at 915 East Boonville.

The Potter woman testified she was sleeping on a couch when stabbed with a pocketknife wielded by McCoy. She was taken to Bothwell Hospital and treated for two stab wounds below the left shoulder blade.

McCoy was not represented by legal counsel at the preliminary and offered no testimony or evidence as such. He questioned the Potter woman about the time they had gone to the East Boonville residence.

"There is nothing to say, judge," he told Magistrate Armstrong. "We had a drunken party out there and it just happened."

McCoy is being held in lieu of $1,000 bond.

Atomic Disaster Law Is Extended

WASHINGTON (AP) — The Senate has voted to extend for 10 years a law to provide indemnities in the event of disaster at an atomic power plant.

The bill cleared to the House Tuesday provides $486 million of government indemnities for a disaster, with another $74 million available to the plant operator for private insurance firms.

Mrs. M. Conser Honored For 100th Birthday

Approximately 100 guests attended open house honoring Mrs. Mattie Conser on her 100th birthday at the home of her daughter, Mrs. Gertrude Wood, 801 North New York, Aug. 10. The celebration extended through the afternoon and evening.

The table was covered with lace. A cake, a gift from Mrs. Conser's daughter, Mrs. W. C. Almond, Brinkley, Ark., was the centerpiece. A crystal lace theme was used in the punch bowl, tidbit trays and other appointments.

Serving at the table were Mrs. Joy Moore and Mrs. Helen Nicholson and Mrs. Arlene Lilly. Wesley Almond assisted in the kitchen.

Attending the guest book, was Miss Joy Morris, great great great granddaughter of Mrs. Conser.

Re-elected To Fill His Unexpired Term

BURLINGTON JUNCTION, Mo. (AP) — Elva Shipley was elected City Marshal Tuesday of this northwest Missouri town —to fill his own unexpired term.

Last spring Shipley simultaneously resigned and was dismissed as Marshal after differences with city officials. The town has been without a Marshal since then.

In Tuesday's special election Shipley was elected without opposition to fill the unexpired term. He received 52 votes. He will serve until the general election next April.

Files As Candidate In Jackson County

KANSAS CITY, Mo. (AP) — State Rep. Alex M. Petrovic, 42-year-old securities salesman at Independence, filed Tuesday as a candidate for the Democratic nomination for eastern judge on the Jackson County Court in the primaries in August of 1966.

Petrovic also has filed as a candidate for re-election and for a seat in the Missouri Senate in the same primary. He said the county judgeship is the job he'll probably campaign for.

Six candidates have filed for the court nomination. Judge Floyd L. Snyder, the incumbent, announced he will not seek reelection.

Home Rule Bill Drive Continuing

WASHINGTON (AP) — Sponsors drove to wind up today their effort to force a House vote on a bill to permit home rule for the District of Columbia. They needed support of 43 more members to succeed.

Twelve names were added Monday to the petition to release the bill from the House District Committee, raising the total to 175. It takes signatures of 218 members — a majority of the House — to force a bill from committee.

Fresno Mall A Fabulous Success

FRESNO, Calif. (AP) — One year ago the City of Fresno, in a spectacular reply to the lure of suburban shopping centers, ripped out 10 blocks of its main downtown business street and put in a pedestrian mall.

People wondered — will it work?

Today, busily waiting on customers who stroll in from the flowery, tree-shaded mall, storekeepers are almost unanimous in answering that, yes it is working, fabulously well.

About the only opposition has come from one shoe store owner who declines to give his reasons. He planted onions in one of the flowerbeds as a form of protest.

Downtown Fulton Street was noisy, dirty, clogged with cars, and parking was a long-shot gamble.

Today the $1.6-million, 10-block mall, financed by urban renewal and local funds, is a sprightly place. It invites strollers to relax and seems to put them in a buying mood.

Splashing fountains, small watercourses, shaded benches and small protected play areas for the kids dot the entire stretch.

Beds of flowers are kept in bloom, and $150,000 worth of modern statuary adds to the atmosphere.

For those who tire of walking, there are pleasant, quiet electric carts, chauffer-driven at 10 cents a ride.

Nearby parking is cheap or free, but still not entirely adequate.

Tom Hoxie, executive director of the Downtown Association, a merchants group which cooperated closely in the planning, said, "The mall is fabulous. It has beauty and utility."

Some skeptics say it came too late to reverse the trend of a dying downtown, but concede it has at least halted the decay.

There still are complaints about parking being insufficient.

Donald Pollard, deputy city manager, says the city recognizes the need and eight large parking garages are being built or planned, plus designs for a new freeway with easy access.

Pollard estimates he has conducted tours for 85 groups from other cities interested in similar projects.

He said the mall has been a big factor in a record $42 million invested downtown in the past two years — more than during the previous 40 years.

Actually, the mall is the existing glamorous showpiece of a redevelopment program that include an 18-block "superblock" and 2,000 outlying acres.

The mall merchants treasure the words of a housewife, who said, "It makes me want to come downtown to shop."

Judy Garland To Wed

SAN CARLOS, Calif. (AP) — Judy Garland opened a six-day engagement Tuesday night with an emotional announcement to a packed audience that she will marry Mark Herron on Sept. 19.

With Herron at her side, Miss Garland announced to the Circle Star threater audience of about 3,000: "I'm going to marry my beloved Mark on the 19th."

Then Herron, whose name has been linked with Miss Garland for some time, took a seat in the first row of the in-the-round theater as his bride-to-be sang 10 numbers — standards and love songs.

Smithton WSCS Learns Of Program

Program year, beginning in September, for Woman's Society of Christian Service, was discussed by WSCS, Smithton Methodist Church, at fellowship hall in August.

President Mrs. William J. Lamm read a poem, "It Shows in Your Face" and devotion from the Upper Room.

Mrs. Ben Mahnken played accompaniment for "Help Somebody Today." Prayer was led by Mrs. Louis Hubbard.

Mrs. William Ratje told about the July school of missions which she attended in Fayette, as a delegate. In telling of the new program year, she was assisted by Misses Mary Ann Kahrs, Sharon Semkin, Karen Moore, Cathy Eicholtz and her granddaughter, Pam Marks, Sedalia. Miss Marks also sang a song, dedicated to her great aunt, Mrs. George Meyers, for her birthday.

The Rev. Louis V. Hubbard and Mrs. Hubbard told of their work as couunselors at Camp Galilee.

Luncheon dismissal prayer was given by Miss Laura Kruse. Dorcas Circle, with Mrs. Cecil Smith and Mrs. Leonard Semkin, hostesses, served luncheon. Tables were decorated with a picnic theme. A basket picnic dinner, with red checked tablecloths was filled with food and centered the table. Individual small baskets held mints at each place.

Mrs. Shelby Kahrs, program chairman, displayed new program books and explained the year's outlined work.

The year's programs, keyed to "Summons to a New Age," were summarized by Mrs. Albert Moore. Mrs. Raymond Demand led singing and read scripture. Mrs. Virgil Quint led prayer.

Dennis Merk and Floyd Hubbard told of attending camp and Jim and Donald Lewellan and Miss Judy Moore gave highlights of the Fayette assembly, to which they were delegates. A solo, "Let My People Go," was sung by David Grupe. Closing prayer was by Miss Moore.

No Butter, Cheese In Federal Surplus

ALBANY, N.Y. (AP) — No butter or cheese in federal surplus foods is the current word for about 600,000 New York State residents getting relief. Dried beans and split peas also are out temporarily.

Those products usually are among the foods donated to welfare recipients and low-income families but James J. Donnelly, chief of the Bureau of Surplus Foods in the state's Office of General Services, said the supply had been exhausted.

Rejects Merit Bill For State Police

BOSTON (AP) — Gov. John A. Volpe has rejected a bill providing that state police promotions be based on merit. He returned the bill to the legislature without signing it.

Volpe said there is an urgent need for such a bill, with safeguards but said the measure before him did "not fill the bill." He proposed a special commission to investigate the state police promotion system.

E. Gramliches Celebrate 50th Wedding Event

Mr. and Mrs. Edward Gramlich, Pilot Grove, celebrated their golden wedding anniversary Sunday, Aug. 1. Their wedding vows were renewed at a Mass of Thanksgiving at St. John's Catholic Church, Clear Creek. The Rev. Ferdinand Bonn was celebrant.

Servers were Ronald Vollmer, Chris Gramlich and Eddie Gramlich, grandsons, and Michael Sommer, great nephew of the couple. Delburt Hobelman, nephew, was lector. A niece, Mrs. Ted Meyer, was organist. Guests were seated in the sanctuary by Carl Twenter and Charles Gramlich, nephews.

Mrs. George (Annie Meyer) Robb, sister of the bride, and Mr. Otto Gramlich, brother of the bridegroom, were witnesses, as they had been 50 years previously. Mr .and Mrs. Gramlich were united in marriage Oct. 12, 1915 at St. Joseph Catholic Church, Pilot Grove.

The main altar was decorated with arrangements of bronze and yellow chrysanthemums.

Mrs. Gramlich was attired in a celery green shirt waist dress with beige accessories and wore a gold corsage. Members of the immediate family were presented yellow corsages or yellow carnation boutonnieres.

Following mass, dinner was served at the Rod and Gun Club, Boonville. A centerpiece of gold and white artificial chrysanthemums and stock graced the main dinner table and was furnished by T. R. Jenkins, Prairie Village ,Kan. Other tables were decorated with gold vases with artificial roses furnished by Mrs. Gramlich's sister, Mrs. H. F. Hobelman.

Honorees at the dinner were: the celebrants, and members of their mmediate family, Mr. and Mrs. Roy Gramlich, Pilot Grove, and daughter, Mrs. Stanley Slyngstad and children, Vincent, Kathy and Norma Jean, Silverton, Ore., Mr. and Mrs. Vincent Vollmer and children, Ronald Pamela and Sharon, Kansas City, Mr. and Mrs. Adolph Gramlich and children, Chris and Eddie, Oakwood Addition, North Kansas City. The Rev. Ferinand Bonn also attended.

The following brothers and sisters of Mr. and Mrs. Gramlich attended: Nick Meyer and Mrs. Meyer, Mrs. George (Annie Meyer) Robb and husband, Sedalia; Mrs. E. B. (Lena Meyer) Hobelman and husband, St. Louis.; Mrs. H. F. (Cecelia Meyer) and husband, Greeley, Kan.; Mrs. Joseph (Meyer) Brummel, Kansas City; Otto Gramlich and wife, Boonville; Joe Gramlich and Mrs. Gramlich, Boonville; Ollie Gramlich, Pilot Grove; Mrs. John (Lena Gramlich) Twenter, Pilot Grove; Mrs. Clara (Gramlich) Leaugh, Kansas City, and Miss Rose Gramlich, Pilot Grove.

Mrs. Maude Klein, aunt of Mrs. Gramlich, and George Klein, the latter of Marshall, uncle of Mrs. Gramlich, was a guest.

Attending were: Mrs. Kathryn Gramlich, Charles Gramlich, Mrs. Mary Kammerich, Mrs. James Knipp, Vincent Kammerich, Tipton; Mr. and Mrs. J. D. Klein and son, Alan Marshall; Mr. and Mrs. D. J. Hobelman, Fredonia, Kan.; Michael Sommer, Altoona, Kan.; Mrs. Bob Anderson, Liberty; Carl Twenter, Mr. and Mrs. Andrew Stoecklein, Mr. and Mrs. Edward Stoecklein, Mr. and Mrs. Lee Caton, Lawrence Wessing, Pilot Grove; Mrs. Bob Anderson, Liberty; Melissa Alsop, New Franklin; Mr. and Mrs. Ted Meyer and children, Blue Springs.

A picnic dinner was held at the home of Mr. and Mrs. Roy Gramlich for those not attending dinner at the Rod and Gun Club. Mrs. T. R. Jenkins acted as hostess for her sister-in-law, Mrs. Roy Gramlich. Co-hostesses were Mrs. Kenneth Brummell and Mrs. Harry Sommer.

Picnic guests were: Mr. and Mrs. T. R. Jenkins and family, Prairie Village, Kan.; Mr. and Mrs. Dick Brummel and family, Mr. and Mrs. Joe Meyer, Kansas City; Mr. and Mrs. Kenneth Brummel and family, Overland Park, Kan.; Mr. and Mrs. John Knapp and family, Shawnee, Kan.; Mr. and Mrs. Harry Sommer and family, Altoona, Kan.;

Mr. and Mrs. Chalmes Snyder and family, Lee's Summit; Mr .and Mrs. Phillip Meyer and family, Mr. and Mrs. John Carroll and family, Springfield; Mrs. Joe Kaller, Ferguson; Miss Imogene Hobelman, St. Louis; Miss Sarah Klein, Sedalia; David and Rita Hobelman, Fredonia, Kan., Steve, Linda and Billy Stoecklein, Pilot Grove.

A reception was held in the afternoon at the club, attended by approximately 350 persons.

The serving table was covered with gold net over white satin and was made by Mrs. H. F. Hobelman, sister of Mrs. Gramlich. Appointments were crystal and gold. The five tiered column cake was decorated with yellow roses with green leaves and was baked and given to Mr. and Mrs. Gramlich as a gift by Mrs D. J. Hobelman, niece. A gold money tree was part of decorations. Presiding at the serving table were Mrs. Delburt Hobelman, Mrs. Bob Anderson, Mrs. John Knapp and Mrs. Dick Brummel, nieces. Mrs. Stanley Slynstad, granddaughter, and Mrs. James Knipp, niece attended the guest book. Mrs. Vincent Vollmer, daughter, presided at the gift book.

Tonic for the Complainers

A natural disposition of men and women is to complain about something or other before each day ends. It becomes a habit, an involuntary reflex like reaching for and lighting up a cigarette that an individual has no more need for than a shoe full of toe corns.

They grumble, they deplore, they mutter, they growl, they lament.

Actually many who habitually complain about this or that thing, service or person must have a subconscious feeling of happiness by expressing their discontent.

All the chronic pessimists don't have ulcers although one might wish they did when they bewail and grieve about the state of the nation or the community or a person.

Do these temperamental sour-pusses have any earthly value to their fellow citizens? They do. Often the loud complainers are the ones who goad others into constructive action to improve conditions in the fields of service and progress.

Chronic gripers can be very irritating because their comments oddly enough have the reverse effect of causing the listener to have pinching and spasmodic pains in the bowels.

Yes, complaints just for the edification of the complainer himself can become so shop worn they need retreading or a new needle depending upon whether the individual is everlastingly slippery or discordant.

A rather unusual occurrence requires recording about the Missouri State Fair which ended Sunday. Despite the miserable weather we heard less complaints from the customers than heretofore. Those attending the exposition seemed to sense that the fair was better than usual but that the elements of nature which should ordinarily discourage any such enterprise couldn't be helped—so why not make the best of it. People did. And it's a tribute even to the chronic complainers that they accepted adverse conditions with more than pretended optimism.

Now, if they can do it with the state fair, why not with the conditions encountered daily in the community. A few more pats on the back will encourage a better attitude generally among the people.

Tying in with this discussion is a bit of Ohio avenue philosophy overheard by a Sedalian passing two farmers standing on a downtown corner. One said to the other:

"Say, John, how's things going with you?

"Oh, fair to middlin," was the reply. "I haven't got any complaints."

"Well," the other added. "I guess if you haven't got any complaints then you haven't got anything to complain about."

Now there's a tonic for those miserable persons who are perennially discontented with everything and everyone.

Mississippi Negroes Arm Themselves

By DREW PEARSON

WASHINGTON—When I heard on the radio that George Metcalf of the NAACP in Natchez, Miss., had had his car blown up when he touched the starter, I telephoned Charles Evers, head of the NAACP in Jackson, Miss.

Metcalf had delivered turkeys in Natchez last Christmas when Dick Gregory took about 10,000 turkeys to Mississippi. There had been no shootings, violence or even threats of violence at the time.

Yet in the past week or so an Episcopalian divinity student had been killed in Alabama, a Catholic priest severely wounded, and a Unitarian minister in Jackson, Miss., filled with buckshot as he entered his home.

Earlier, Medgar Evers, brother of Charles, had been shot from ambush, three Freedom workers had been killed near Philadelphia, Miss., Lt. Col. Lemuel Penn had been shot while returning from military duty in Georgia, a white preacher had been murdered in Selma, Mrs. Viola Liuzzo had been murdered in Alabama, and there had been burnings of churches and homes too numerous to mention.

I telephoned Evers to ask whether with the passage of the voting rights bill violence was going to increase.

He was too upset over the blowing up of his friend Metcalf in Natchez to give an immediate answer.

"The Negroes have taken all they can take. We've armed ourselves and we are going to fight back," he said.

"I informed the Justice Department many times that this was going to happen. We have asked many times for protection. Every time we do the Justice Department says 'We'll look into it.' And the FBI says 'we're only an investigating agency. We'll investigate it.' Nothing happens except that we keep on being shot at and murdered.

"We're not going to take it any longer. We're not going to start any riots, but we've got guns and we're going to fight back. I may be fired for saying this," concluded the Mississippi head of the NAACP, "but that's what we're going to do."

Too Few Registrars

I asked how the registration of voters was going.

"There are only four registrars in the entire state of Mississippi," Evers replied. "Four registrars for four counties."

"How many counties are there in Mississippi?" I asked.

"Eighty-two. And in not one county are five per cent of the Negroes registered. In Jefferson County, right next to Natchez, not one Negro was registered as of Nov. 1, 1964. In Claiborne County, where the population is 75.5 per cent Negro, less than fifty Negroes were registered on Nov. 1, 1964.

"Yet they send only four registrars for the entire state of Mississippi.

"I understand a deal was made whereby Washington is going to give the governor and the local people a chance to prove they will carry out the voting rights law," continued Evers. "But that won't work. How is a Negro going to go up to the court house with the Klan sitting around in front and walk up to the same old registrar who has been beating him and killing him in the past? He's afraid to go. Negroes are even afraid to go to the court house to pay taxes with the Klan sitting out in front.

"We had great hope and faith in the voting rights law, but now the federal government turns round and says we're going to wait until it's been proved that the local officials won't do the job. The local officials haven't done their jobs for 100 years. How do you expect them to change and do it now?

"In Hinds County—that's where Jackson is located," Evers continued, the Negroes are lined up from 9 to 2:30 p.m. They never get registered. It's slow, slow, slow. The local registrars work five days a week during the time the Negroes have to work at their jobs. The federal registrars work Saturdays when Negroes can get off. They need to register at times when Negroes are not at work."

Last winter in Washington, Charles Evers had told me how every night when he went home he had expected to be killed, as his brother Medgar was. But when the civil rights bill passed he wasn't afraid anymore. He said to himself, "That's one for Medgar. He sure would be pleased if he were alive."

But today Charles was discouraged and worried.

"I can't continue to tell Negroes to pray and be peaceful," he said. "We're not going to sit by anymore and let 'em beat us up and kill us. We're sick and tired of it. So we're going to pay for the guns to take care of ourselves. They'd better not come by my house late at night yelling at me. I'm armed and I'm going to defend myself."

Slow Civil Service

On July 22, about one month before the Negro voting rights bill passed Congress, Wilson M. Matthews, director of the Civil Service Commission's hearing examiners office, said his commission was totally unprepared to send registrars to the south.

"I don't know the name of a single registrar," Matthews told an inquiring newsman. "If Attorney General Katzenbach should ask for registrars for the 550 southern counties it would be a fiasco."

Matthews expressed confidence that eventually the Civil Service Commission could recruit the necessary number of registrars, but indicated it would not be possible for some time.

Thus while it was well known ever since last winter that the Negro voting rights bill was sure to pass, the administration did nothing about preparing to put it in operation.

Looking Backward

TWENTY-FIVE YEARS AGO

A total of 3,141 residents of Missouri are receiving monthly checks totalling $59,810.11 from the Old Age and Survivors Insurance program, Karl R. Hunzeker, manger of the Social Security Board office in Sedalia, announces. Monthly payments began January 1. In the Sedalia area, comprising Pettis, Morgan, Benton, Saline, Cooper, Chariton and Howard counties, 45 persons are receiving monthly payments.

FORTY YEARS AGO

Dr. F. E. Dexheimer, son of Mrs. Emma Dexheimer, 315 East Fifth street, went to Columbia where he will assume duties on the staff of the Parker Memorial Hospital of the University of Missouri. He recently completed his internship and will become a resident physician succeeding Dr. Hugh Muir, formerly of Sedalia, in the university hospital.

TV Provides New Kind of Presidency

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — The country is getting a new kind of presidency. Television and changing times are part of the reason.

This week President Johnson looked like an on-the-ball chief executive when he went on television to announce he had obtained an eight-day postponement in the steel strike.

The idea wasn't quite new with him. President John F. Kennedy did pretty much the same kind of thing. Johnson just does more of it.

Kennedy used a televised news conference in 1962 to congratulate the steel union and industry for what he thought was an "obviously noninflationary" settlement.

Then when the industry, to his chagrin, raised prices, Kennedy used another televised news conference to denounce the steelmakers, who backtracked fast and dropped the price boost.

Kennedy and Johnson were doing two things:

Taking action and letting the nation see it close up pretty much as it happened. But, still using the steel industry as an example, they weren't the only presidents who took strong action.

Dwight D. Eisenhower, after getting a postponement but then letting a steel strike start in 1959, finally asked for an injunction to cool it off. In 1952 Harry S. Truman seized the steel mills to prevent a shutdown.

All four men had to take decisive steps in many fields which would have seemed extreme to presidents in the 19th century and to some of them in the first 30 years of this century.

But, with television so handy, presidents in the future, after the examples set by Johnson and Kennedy in using it in tense, national moments, will be expected to go on the air to tell the nation the latest.

Further, since they will be on screens from coast to coast, they won't dare look wishy-washy and must at least try to give the impression of decisive action even when they're hedging.

But since the depression of the 1930s, when the nation had to look to the White House for action, President Franklin D. Roosevelt set the pattern for the future by accepting true responsibility.

Since Roosevelt every president has found himself deeper and deeper in monumental problems that couldn't be ignored or let slide and the reasons for that are obvious.

Gradually, as the American society and the economy have become more interdependent among all their parts, there has been less room for delay or indecision.

The efforts of Truman, Eisenhower, Kennedy and Johnson to prevent or stop a steel strike, which would have meant far less 50 years ago, were all thought necessary to prevent critical economic damage to the whole nation.

And, as the United States moved out of isolationism in the 1940s, firm and fast foreign decisions became a necessity, too. These requirements will grow greater in the future, not less.

This in turn undoubtedly will mean that presidents in the future will at least have to give the impression of being not only good men — which seemed the only criterion too many times in the past — but strong ones, too.

The old-fashioned, back porch presidential campaign — where only a handful of the citizenry could get a look at the man asking for votes — is long gone, along with sole reliance on short whistle-stops.

Thus, as the nation grows increasingly aware of the need for decisive men in the White House, the caliber of presidents, as has been increasingly seen since the 1930s, will be far different from most of those in the past.

YOUR DENTAL HEALTH

Wind Instruments To Straighten Teeth

By William Lawrence, D.D.S.
Newspaper Enterprise Assn.

Since many teeth straightening problems are either caused by, or at least exaggerated by bad habits, why can't good habits be used to fight bad ones?

For instance, habitually placing the lower lip behind upper teeth and pushing hard, usually produces a protrusion and spacing of these teeth, commonly called "buck teeth." It also causes a tilting backwards of lower teeth. This combination of malposed teeth makes it difficult to bring lips together comfortably, often causing young children to become mouth breathers.

Why not reverse this habit? Sit down and have a quiet talk with your little fellow, and explain that if he must suck his lip, why give the lower lip the whole play? Why not give the upper lip a chance? It's only fair. This reverse effect could return his teeth to their normal position, and by that time he'd possibly be old enough to develop some nondental habits instead.

Orthodontists often advocate some form of "counter pressure habits" in treatment of malposed teeth. One dentist advises use of musical instruments to counteract certain forms of orthodontic problems. If your young son has developed into an orthodontic type known as Class III (lower jaw and teeth stick out), he could take up clarinet or saxophone. If he's a Class II type (upper jaw more prominent and upper teeth stick out), he'd do better with trumpet, trombone or tuba. Other conditions might require piccolo, flute or oboe.

Parents with false teeth can get into the act too. It doesn't matter if they wear full dentures, they can still learn to play trumpet or tuba by wearing a special device, adjusted to their embouchure to hold their teeth in place.

Some of this is written with a twinkle, but it's true that wind instruments, selected wisely and in consultation with your orthodontist, can be helpful in correcting or mitigating certain types of teeth - straightening problems.

Mounted Rangers Patrol Camp Grounds

GATLINBURG, Tenn. (AP) — Mounted rangers are patroling some campgrounds and trails in the Great Smoky Mountains National Park.

Supt. George W. Fry says the use of mounted rangers is experimental but "they probably will be in regular service in the future." He says rangers on horseback probably can handle traffic better in congested areas of the park.

Milk Still Excellent For All Age Groups

By Wayne G. Brandstadt, M.D.
Newspaper Enterprise Association

Q — An authority on nutrition says that (1) after the age of 3 you have no digestive enzymes for action on milk which is intended by nature as a food for infants only; (2) milk causes the secretion of mucus in the intestines and prevents the absorption of other foods; and (3) milk upsets the proper balance in the endocrine glands. What do you think?

A — Your so-called authority has made three statements about milk that are in total disagreement with the beliefs, supported by scientific experiment, held by most other authorities on nutrition. False ideas of this kind do a great deal of harm because, as I have said repeatedly, milk is an excellent food for persons of any age unless they have a definite allergy to it.

It is true that rennin, the enzyme that causes milk to coagulate and form curds, is abundant in the stomach of babies and absent in most adults, but all the enzymes that later dissolve these curds are found in adults as well as babies.

Milk does not interfere with the digestion of other foods although cream, butter and other fats do slow digestive processes slightly. This does not mean that no fats should be eaten or that they cause any serious interference with digestion. There is no connection between drinking milk and your endocrine balance.

Q — My son, 23, is 6 feet 1 inch tall and weighs 182 pounds. Some months ago he started a well-advertised 900-calorie diet. He now weighs 152 pounds. What will this foolish diet do to his health?

A — Since the most recent health charts give 168 to 189 pounds as the normal range for a 73-inch man of large frame and 152 to 162 pounds as the normal range for such a man of small frame, either of the weights mentioned may be normal for your son depending on his body build. It would be wise for your son not to lose any more weight, however, but as a general rule those who hold their weight to the lower limit of normal have a greater life expectancy.

Q — Are glycerin suppositories harmful when used frequently? What exactly do they do?

A — Glycerin suppositories when held in the rectum for 5 or 10 minutes melt and lubricate the passage of a hard stool. They are perfectly harmless but it should not be necessary to use them often if you regulate your bowels by eating the proper amount of vegetables and fruit. The proper amount for you is the amount that will give you a well-formed stool.

The Mature Parent

Thinking Starts at Home

By Mrs. Muriel Lawrence
Newspaper Enterprise Assn.

The girl speaking from the television screen was a University of California rebel, a coed featured in a report on the student insurrection at Berkeley.

After the conventional attack on its big classes, its cold "impersonality," its punch card treatment of students, etc., etc., she uttered these astonishing words:

Lawrence

"We came to college to learn how to think. It's only when we can actually see a good teacher thinking himself as he talks to us that we can learn h to think, too."

What do you suppose goes on in the homes, the grade and high schools that kids have to arrive at college age to learn to think?

Or to witness an adult engaged in thinking as he speaks?

If you've never learned how to think before you matriculate at a big, bad, alienating, mass-educating university, the demand that you start exercising your unstretched cranial muscle could be both painful and maddening. Like any other unused muscle, it would develop Charley horses, kinks, twitches and other forms of resentment that the young, with their passion for blaming grownups for all their problems, could only too easily interpret as more grownup skullduggery by their bad, alienating, mass-educating college administrators.

We really do spend an awful lot of money on child guidance books and public school systems to have kids land in college only to discover that they don't know how to think. And that the whole limitless universe of thrilling, fermenting, on-leading notions available to people who can think has been withheld from them by parents and teachers who don't.

Anyway, what I want to ask you is what you do when your 9-year-old demands to know why he has to be polite to a relative neither of you like? Does he see you think as you prepare your answer? It's an important question. Do you evade thinking about it by saying shortly, "Because it's nice to be polite"?

Or thinking about it, do you say: "You have to be polite to Aunt Sue because it saves us both trouble. I don't like her well enough to get into a real fight with her. Neither do you. That's why we're polite to her. Politeness is one of the ways we use to hide ourselves from someone we don't like. It's when we love people that we're not polite."

Opening lead—♠ Q.

By JACOBY & SON
1965 Vanderbilt Cup Winners
Newspaper Enterprise Assn.

Jim asks his father about the late Edward Hymes, Jr.

Oswald: "Eddie was one of the greatest players of all time. He was most successful in team competition and won both the Vanderbilt and Spingold Cups. His one open pair win came in 1935 when he carried me through."

Jim: "Carried you through?"

Oswald: "Yes. Carried me through. I acquired a toothache during the qualifying rounds and by the time we reached the final session I had a high fever, a swollen face and an appearance that may have frightened both my partner and my opponents. Eddie struggled through against all this and since we are talking about duplicate tactics here is a hand that may be interesting. Eddie sat North and I was South. We were not using the four no-trump convention so my bid of four no-trump was just an effort to quit. Eddie recognized this but had too much to stop below a slam and because we were playing match point scoring he placed the slam in no-trump for the extra points."

Jim: "I assume you made seven by dropping the queen of clubs."

Oswald: "No. I should have but when I looked over dummy I only counted 11 top tricks. Seven plus two plus two plus 1 equals 12 but I wasn't equal to that complicated mathematical operation. However, I realized that Eddie had made a tremendous bid and that the field would be in diamonds. Hence, it made little difference if I made six or seven so I ducked the first spade in order to develop a count or possible pseudo-squeeze later. It wasn't until I had painfully played out about nine cards that I saw I had all winners."

Jim: "Did it make much difference?"

Oswald: "Not a match point. We were the only pair in six no-trump."

Rosters Trimmed

Cut Back On Rookies

By HAL BOCK
Associated Press Sports Writer

Professional football's revolving doors were in full operation today as American and National League teams pared their rosters.

AFL clubs, trimming to 43 players plus All Stars who don't count against the limit, cut a flock of rookies to reach the quota while some veterans popped up among the NFL cutdowns which reduced rosters to 47 players.

Top names among those cut were 10-year veteran Dick James, sliced by the New York Giants, and defensive back Dick Pesonen dropped by the Washington Redskins.

James, the smallish running back, who came to the Giants from Washington in the Sam Huff deal last year, had been hampered by injuries and sat out all the exhibition games while Giant Coach Allie Sherman relied on his rookie backs.

Pesonen had been cut earlier by New York and was trying to catch on with the Redskins. He was one of six pared by Washington — the others were rookies.

Baltimore placed veteran center Dick Szymanski on the injured reserve list and cut two rookies, quarterback Tim Murphy of the Air Force Academy and punter Ron Perez from the University of Tampa.

Top casualties of the AFL cutdown were pass catcher Bake Turner of New York and fullback Larry Garron of Boston. Both were placed on the injured reserve list and must sit out at least the first two games of the regular season.

The Jets also asked waivers on injured guard Pete Perreault and sent defensive tackle Bob McAdams to Kansas City for rookie defensive end Charles Ragus of Northwestern Louisiana.

The Chiefs cut three rookies, flanker back Closter Richardson of Jackson State, Miss., defensive halfback Mickey Sutton of Auburn and punter Danny Thomas of Southern Methodist.

In addition to shelving Garron, the Patriots trimmed offensive guard Dave Watson, defensive back Dave Cloutier and rookie defensive end Tony Gibbons of John Carroll.

San Diego dropped three rookies, offensive end Don Floyd and place kicker Les Murdock, both of Florida State and defensive back Kern Carson of San Diego Stte.

Oakland dropped veteran linebacker Clancy Osborne and tackle Pat Russ. Osborne had been a starter for the past two seasons but was hampered with a bruised knee this year. Russ was a free agent.

In the NFL, Los Angeles traded two rookies to Pittsburgh and placed two other players on waivers. Center Ken Henson of Texas Christian and defensive back Bobby Hohn of Nebraska went to the Steelers for Frank Molden, a defensive lineman from Jackson, Miss. State College.

The Rams also asked waivers on second-year linebacker Andy Von Sonn and rookie defensive end Jim Griffin of Grambling.

Dallas signed defensive end Don Thompson, who had been cut by Philadelphia. The Cowboys also dropped Jim Zanios, a running back from Texas Tech and Bill Van Burkleo, a defensive halfback from Tulsa.

Error In Records Favors MU

COLUMBIA, Mo. (Special) —Mizzou's football records show a 37-6 victory over "Kentucky" in one previous meeting (1904) —but from the Sports Information Office at Lexington's University of Kentucky comes an anguished disclaimer.

Types Ken Kuhn, the Wildcat publicist: "Our research indicates that this game apparently was with Kentucky University, and not with the University of Kentucky.

"Kentucky University no longer exists by that name and now is known as Transylvania College in Lexington. Back in those years, University of Kentucky was known as State College. . "

Thank you, Mr. Kuhn—and if Coach Dan Devine could pick a rose by any other name, he'd undoubtedly prefer to play Transylvania here on Sept. 18, rather than your Wildcats.

Mizzou officials, incidentally, are mystified by the box office slow-down on tickets for the 1965 inaugural with Kentucky—picked by LOOK magazine to finish among the nation's top 20 teams.

"Kentucky has had a record pre-season ticket sale of almost 16,000 public tickets," Athletic Director Don Faurot pointed out, "indicating that their fans are high on this year's team. They'll be as tough as any team on our home schedule, and that includes Nebraska and Oklahoma."

Traditionally a fast starter, Coach Charlie Bradsaw's outfit opened last year by upsetting Ole Miss and Auburn on successive Saturdays.

This current club, featuring 27 lettermen 18 of whom are seniors, has three valid all-American candidates in QB Rick Norton, LHB Rodger Bird, and E Rick Kestner.

Norton passed for 1,514 yards in '64, doubling the aerial output of MU's Gary Lane, the league's total offense king. Bird, brilliant breakaway threat had scoring runs of 55, 76 and 95 yards among his ten touchdowns. Kestner caught 42 passes for 639 yards last year, and was the national Lineman-of-the-Week after nabbing three touchdown passes against Mississippi.

The 1965 Wildcats are advertised as "potentially the best Kentucky squad since Paul Bryant's teams went bowling three years in a row in the early 50's.

Depends On Staggers

Crusaders May Be Strong In '65 League Title Bid

The continued good health of Jon Staggers, a 165-pound senior halfback, could make the Jefferson City Helias Crusaders definite contenders in the 1965 Northwest Missouri conference race.

So says coach Jack Schnieders, who this year marks his tenth year in football. Schnieders, who owns a 70-1-28 lifetime record, sees Fulton and Helias as the top two teams in NEMO this season.

"We will be small, with average speed," Schnieders said, and "if Jon Staggers remains healthy, we will be contenders."

The Crusaders finished last season tops in the conference and had a 6-3 record in over-all play. Helias has four starters coming back this year, all of them seniors. Besides these four, the Crusaders numbers eight returning senior lettermen.

The four returning starters are Ron Bavon, guard, 150; Curt Schnieders, a guard who will see action as a tackle this season, weighing in at 175; Staggers, halfback, 165; and Henry Rieke, quarterback, 160.

Other returning lettermen are Tom Kivett, center, 165; Rusty Anderson, guard, 165; Jim Williams, tackle 230; Steve Lampe, tackle, 190; Charles Schwaller, end, 160; Mike Prenger, halfback, 160; Dan Strope, tackle, 185; Tom Vossen, guard, 155.

That makes Williams the biggest man on the Crusader roster this year. Helias' line will average at around 162 and the backfield at 160, Schnieders said.

Playing teams from Springfield Glendale, CBC in St. Louis and Mexico, coach Schnieders nevertheless considers his toughest opposition this year will come from Fulton, Moberly and Boonville.

Of the nine games on this year's schedule, Helias will play on the home field four times this year, against Hickman's Kewpies, Moberly, CBC of St. Louis and Springfield Glendale.

The varsity schedule for 1965:

Sept. 11—Hickman at Jefferson City.

Oct. 1—Boonville, there
Oct. 8—Kemper, there

US Takes New Batch Of Medals

TEL AVIV, Israel (AP) — The United States hauled in another top catch of medals in the seventh World Maccabiah Games and left behind another vast store of equipment to help Israel develop its promising sports program.

"We wanted to win as many medals as we could, but it was equally important for us to promote good will and physical fitness," said Haskell Cohen of New York, the head of the American team. "I feel confident we have succeeded in all respects."

The Americans wound up the nine-day Jewish Olympics with 75 gold medals, 12 more than they did four years ago. Israel, with a flock of teen-age prospects in swimming, track, field and gymnastics was second with 31, compared to 26 in 1961.

In the last three finals, held during the closing ceremonies Tuesday before about 50,000 at Ramat Gan Stadium, the Yankees won both the 400 and 1,600-meter relays, and Britain's Ray Roseman captured the 1,500 meter run in 3:51.2. Maccabiah records were set in all three races.

The 400 relay quartet of Gerr Ashworth, Haverhill, Mass.; Jay Paritz, Lexington, Ky.; Dick Robinson, Winnetka, Ill., and Dick Sheer, Silver Springs, Md., clipped six-tenths of a second off the record with 42.4 seconds.

The 1600 foursome of Ken Hendler, Valley Stream, N.Y.; Steve Lamb, Baltimore, Md.; Roger Wolff, Los Angeles, and Bill Shapiro, Asheville, N.C., was clocked in 3:12.6, knocking 5.4 seconds off the record.

Roseman took the 1,500 by about 30 meters from Dick Levy of Bayonne, N.J., in 3:51.2, beating the meet mark by 4.8 seconds. Levy was timed in 3:54.3 with Israel's Yair Pantil at third in 3:56.4.

Tim Morgan Recovers From Injury

Tim Morgan, 21, son of Mr. and Mrs. William A. Morgan, 920 East 16th, is recuperating in Sarasota (Fla.) Memorial Hospital from a kidney operation after he sustained an injury during a game with a St. Louis Cardinal farm club last month.

Morgan, according to his father, was injured several weeks ago. The report of the operation reached the Democrat-Capital Tuesday night.

Morgan's father reported Tim's recovery is progressing satisfactorily and that he is expected to return to duty for the Cards next spring. Before that he has a coaching assignment in Memphis.

Morgan was injured about a month ago, shortly after he was elected to the all-star team in Sarasota, which is the home of farm clubs for about six major league teams, including the Cardinals. He underwent surgery a week ago last Monday, his father said, and is still confined to the hospital.

Morgan is expected to return to Sedalia for a short time upon his release from the hospital. His father said cards from friends here before that, however, are welcome. "Tim has received some cards already, and really appreciates them," the elder Morgan said.

S-C Footballer Is Sidelined By Leg Fracture

Larry Myers, 16, son of Lt. Col. and Mrs. Herman Myers, 2502 Albert Lee, suffered a fracture of the left leg below the knee during football practice shortly before 5 o'clock Tuesday evening.

Myers, a senior, was doing well in practice as a lineman and probably would have seen considerable action had he not received the injury.

He was taken to the Bothwell Hospital where Dr. C. Gordon Stauffacher rendered medical treatment and had him admitted to the hospital.

Athletic Feud Heads Back To Congress

WASHINGTON (AP) — The Amateur Athletic Union and the National Collegiate Athletic Association take their feud back to Congress today with no indications it is any closer to a settlement.

At the direction of the Senate Commerce Committee, top officials of the two amateur sports groups sought to settle their jurisdictional dispute for six hours Tuesday in a downtown hotel room.

They adjourned the talks without issuing any statement and were scheduled to make a progress report to an executive session of the committee today.

Milwaukee Ends Long Loss Line

By DICK COUCH
Associated Press Sports Writer

The Milwaukee Braves must have had their smoke signals crossed when they called Frank Thomas back to the reservation. All they really needed was an umbrella.

The Braves made the only headway in the National League pennant race Tuesday night but it took them almost eight hours in stormy Cincinnati to do it. After beating the Reds 5-3 in the rain-prolonged opener of a doubleheader, the Braves weathered another long delay before Cincinnati's 4-1 lead was washed out in the fourth inning of the second game.

The victory ended a six-game losing streak for the Braves and moved them into a third-place tie with Cincinnati, two games behind league-leading Los Angeles. The Dodgers were rained out at Pittsburgh while two other contenders, San Francisco and Philadelphia, were dividing a doubleheader.

Thomas, meanwhile, cracked two homers and drove in five runs as Houston swept a twi-nighter from the New York Mets 4-3 and 3-2, then packed his bag for a return trip to Milwaukee.

The Braves acquired Thomas, whose two homers against New York lifted his career total to 286, from Houston to bolster their bench. They'll send the Astros a player in return at a later date.

A couple of other former Milwaukee stars, Warren Spahn and Lew Burdette, hooked up in pitching duel at Philadelphia, the Phillies' Burdette topping his former roommate 2-0 in the second game. The Giants won the first game 2-1 in 11 innings.

The St. Louis Cardinals blanked Chicago 3-0 behind right-hander Bob Gibson in an afternoon game.

Home runs by Eddie Mathews, Hank Aron and Gene Oliver powered Milwaukee past the Reds in a game delayed 24 minutes at the start and held up for more than two hours in the fifth inning. Mathews' 30th homer capped the Braves' attack and tied him with Stan Musual for seventh place on the all-time homer list, with 475.

Spahn gave up only three hits in the Giants-Phillies nightcap but two were homers — by Alex Johnson in the seventh and Bobby Wine in the eighth — and they pinned loss No. 16 on the 44-year-old southpaw.

Burdette, 38, scattered six hits for his third victory, getting pinch hitter Orlando Cepeda to hit into a game-ending double play after giving up two singles in the ninth.

Willie Mays doubled in the 11th inning of the opener, reached third on a passed ball while Willie McCovey was being issued an intentional walk and scored the winning run as Jim Hart tapped into a force play.

Thomas drove in all the Astro runs in the opener at New York with his third and fourth home runs of the year. Rusty Staub homered for Houston in the second game and knocked in the deciding run with an eighth-inning single.

Gibson pitched a three-hitter for his 16th victory in 26 decisions and slammed his fourth homer of the season. Bill White's second-inning homer and Curt Flood's RBI single in the eighth completed the St. Louis scoring.

Marichal Goes Back To Work Tonight

PHILADELPHIA (AP) — San Francisco right-hander Juan Marichal comes back tonight.

Back after an eight-day suspension for hitting Los Angeles catcher John Roseboro with a bat Aug. 2.

Back, he says, to help the Giants win the National League pennant.

Back for No. 20 — he's lost nine this season — when he takes the mound against the Philadelphia Phillies.

"My only concern is to win," he said in a quiet voice, tinged with a hint of emotion in the accents of his native Dominican Republic.

Then he added:

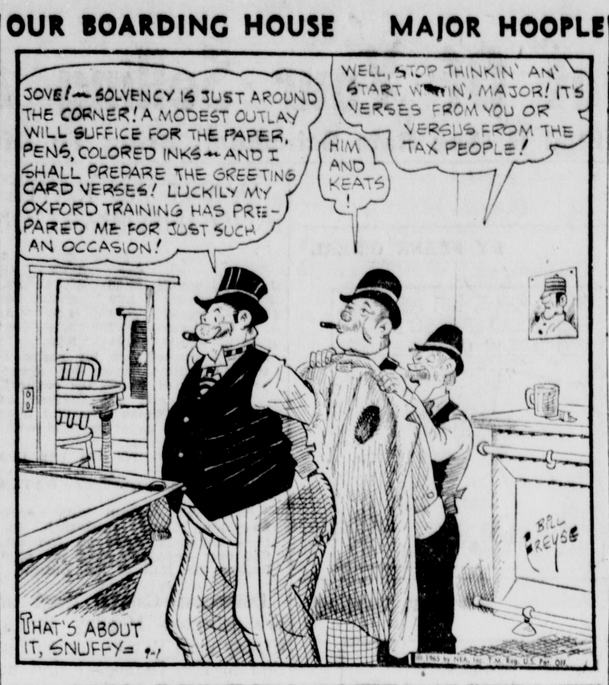

"And for the Giants to win."

Besides that?

"I just want to pitch, that's all."

The incident that caused the suspension, plus a $1,750 fine which he has paid, he simply wants to wipe from memory.

A's Farm Hand Will Start Against L. A.

KANSAS CITY (AP) — The Kansas City Athletics bought Dick Joyce, 21-year-old left-handed pitcher, from their Birmingham farm club and announced he will start against the Angels at Los Angeles Friday night.

Joyce had a 5-3 record at Birmingham after he moved up from Lewiston, Idaho, where he was 8-3.

Four minor league players were recalled and will join the A's as soon as their league seasons are completed. They are Larry Stahl, an outfielder, and pitchers Aurelio Monteagudo, Ron Tompkins and Blue Moon Odom.

Chance Is Again Tops Against NY

By MURRAY CHASS
Associated Press Sports Writer

There's nothing different about Dean Chance and the New York Yankees this season.

They're doing the same thing they did last year when Chance won the Cy Young award and the Yankees won their fifth straight American League pennant — when they get together, Chance wins and the Yankees lose.

The Los Angeles right-hander extended his amazing mastery over the Yankees Tuesday night as the Angels squeezed out a 1-0 decision.

In other AL games Tuesday night, Detroit edged Minnesota 7-6, Baltimore swept Chicago 4-0 and 7-2, Cleveland trounced Kansas City 8-1 before losing 3-2 in 11 innings and Boston took Washington 4-0 and 8-5 in 10.

Teammate Albie Pearson got in on Chance's act against New York, hitting a first-inning home run off Bill Stafford for the only run. The homer was the 28th of Pearson's career, nine of them coming against the Yankees.

Bill Freehan's fourth hit, a two-out, two-run homer in the ninth, boosted Detroit past first-place Minnesota. The runs were unearned, the result of Don Mincher's bobble of Norm Cash's grounder. Cash earlier hit a three-run homer while Mincher and Bob Allison each drove in three Twins' runs.

Brooks Robinson hit a homer and drove across two runs in each game against Chicago. John Miller and Stu Miller combined for the first-game shutout while Steve Barber scattered eight hits in the nightcap.

Cleveland's Sam MDowell 14-10, allowed only one hit in the first game — Dick Green's lead-off single in the fourth — and struck out 11. He rapped two singles and drove in a run while Leon Wagner collected a homer, a double and two singles.

Kansas City won the nightcap on Ed Charles' run-scoring single in the 11th inning. The Indians took a 2-1 lead in the top of the 10th as Chico Salmon singled in a run, but Bill Bryan tied it with a homer in the bottom of the inning.

Dave Morehead and Dick Radatz stopped Washington on three hits in the opener, getting support from Tony Horton who singled in two runs and scored one.

Horton won the second game for Boston with a three-run homer in the 10th after Russ Nixon's third sacrifice fly, which enabled him to tie a major league record, tied the game in the ninth. Dick Nen had put the Senators ahead with a run-scoring single in the eighth.

Cardinals Handcuff Chicago

By THE ASSOCIATED PRESS

St. Louis shutout the Cubs 3-0 in Chicago Tuesday behind the two-hit pitching of Bob Gibson and aided by the big righthander's solo homer.

The A's split a doubleheader with Cleveland, losing the first game 8-1, and winning the second, 3-2, in eleven innings in Kansas City.

The only hits off Gibson, who won his 16th against 10 losses, were both singles.

Bill White homered in the second and Gibson in the fifth and the Cards got their final run in the eighth on Lou Brock's single a stolen base, and Curt Flood's single.

Dick Ellsworth took the loss for the Cubs.

Sam McDowell handcuffed the A's in the first game on one hit, a lead-off single in the fourth by Dick Green. The A's only run in the first game came on two walks and a throwing error in the eighth.

The Indians, meanwhile, assaulted Kansas City pitching for 13 hits. Leon Wagner led the Cleveland attack with four hits including his 24th homer of the season.

Cleveland scored single runs in the fifth and sixth innings, picked up two in the eighth and added four more in the ninth. The A's used five pitchers in trying to halt the Indians with Jim (Catfish) Hunter taking the loss.

Kansas City scored first in the second game. Ed Charles singled to lead off the fourth. He moved to second on a sacrifice, and went to third on a throwing error, and scored on a fly out.

Cleveland tied it in the ninth on a walk, a pop-fly single and two sacrifice flys.

The Indians took a 2-1 lead in the tenth on a single, a sacrifice and another single.

Bill Bryan homered to make it 2-all in the A's half of the tenth. Cleveland managed to get a man on with a single in the eleventh but the A's ended the threat with a double play.

Dick Green opened the Kansas City half of eleventh by beating out a roller to short. He went to second on a sacrifice and scored the winning run on Charles' single to center.

Jim Dickson got credit for the victory with one inning of relief work.

Today, Tracy Stallard will open for St. Louis against the Cubs Ron Jackson in Chicago.

The A's host Cleveland again tonight with John O'Donoghue scheduled to start against Ralph Terry of the Indians.

McAdams Goes To KC In Trade With Jets

KANSAS CITY (AP) — The Kansas City Chiefs got Bob McAdams, a third-year defensive end and tackle, for Charles Ragus, a rookie defensive end, in a trade with the New York Jets.

McAdams is 25, weighs 250 and played college football at North Carolina College, Ragus is 22, weighs 250 and is from Northwestern Louisiana State.

The Chiefs put three rookies on waivers. They are Gloster Richardson, a flanker back from Jackson State College in Mississippi who underwent surgery on an injured knee Monday; Mickey Sutton, a defensive back from Auburn, and Danny Thomas, quarterback and punter from Southern Methodist who also has had knee surgery since he reported for training camp.

Expect UN To Complete 19th Session

UNITED NATIONS, N.Y. (AP) — The U.N. General Assembly was expected to finish its paralyzed 19th session today by ratifying an agreement to bury the U. S.-Soviet dispute over voting rights.

Endorsement of the agreement adopted Tuesday by a special committee on U.N. peacekeeping operations will clear the way for the assembly to return to a normal footing at its 20th session starting Sept. 21.

Main point of the agreement was "that the question of the applicability of Article 19 of the charter will not be raised with regard to the United Nations (Middleeast) emergency force and the United Nations operation in the Congo."

Article 19 provides that any country two years behind in its U.N. Dues shall have no assembly vote. The Soviet Union, France and 10 other nations are that far behind because they have refused to pay assembly assessments for peacekeeping expenses. The United States had insisted that they should not be allowed to vote.

To avoid a big-power clash, the assembly steered clear of voting and never got down to business.

The United States announced Aug. 26 it was abandoning its stand that the voting penalty should be applied.

Cities Represented In LBJ's Cabinet

WASHINGTON (AP) — The nation's cities, where most Americans live and work, have won representation in the President's Cabinet.

The victory for the cites—and for President Johnson, who put a priority tag on the legislation—may lead to an historic first: a Negro heading a Cabinet department.

The House completed congressional approval of the new Department of Housing and Urban Development Tuesday. By voice vote it accepted a conference committee report which settled differences in the House and Senate versions of the legislation.

The bill becomes law when Johnson signs it.

The President has given no hint who he will nominate to head the department. Speculation centers on Robert C. Weaver, a Negro who directs the Housing and Home Finance Agency.

The legislation dissolves the housing agency. It will put under one roof urban-oriented programs now scattered among several government departments.

Incident At Beatle Show Injures Six

SAN FRANCISCO (AP)—Five teen-age girls were injured when a frenzied boy leaped on stage with Britain's Beatles, touched drummer Ringo Starr on the shoulder and did a swan dive off the stage into the front rows.

The incident was during a bedlam Tuesday at the Cow Palace as thousands of screaming, fainting and sobbing teen-agers threw jelly beans, stuffed animals — and themselves — at the mop-haired singers.

Police said there were no serious injuries and that everyone recovered, including a pregnant woman who fainted and was carried to a first aid station.

Wave after wave of frantic teen-agers, mostly girls, charged the line of police and guards in front of the stage during the Beatles' concluding performances on their $1-million American tour.

Take 12 Mink Stoles In St. Louis Theft

ST. LOUIS, Mo. (AP)—Burglars took 12 mink stoles valued at about $10,000 in a break-in late Tuesday night at a fur shop (4951 Delmar Boulevard).

Siegwart Fechenback of University City, owner of the shop, said he could not determine the exact loss until he takes an inventory.

Police discovered the break-in when they responded to a burglar alarm. Fechenbach said his loss was not covered by insurance.

Go ahead. Kick it!

One of the things most people do when they buy a used car is kick the tires.

It won't tell you a thing.

But we all do it.

It won't tell you, for instance, that this little beauty ('58,'59,'60? —who can tell with VWs?) has passed a rigid 16-point safety and performance check.

Or that the entire car, inside and out, has been reconditioned, washed, polished and put in first-class running order.

People who kick tires are right about one thing: they're concerned about how the car stands up. That's why so many people are looking at VWs. New and used.

VWs are very solid little things.

So go ahead. Kick it. Be our guest.
